

ADDITIONAL SERVICES

MARINE SERVICES

CIC provides marine services from various exploration, development and production activities for the oil and gas industry in Brunei Darussalam. Our services encompass the use of strategic ports and marine facilities within Brunei Darussalam to achieve business and operational needs of our customers. Our fleet of vessels transport fuel, water, drilling fluids, equipment, crews and provisions of accommodation and lifting activities to offshore facilities and collect both hazardous and non-hazardous waste for disposal; playing fundamental supporting roles in offshore drilling and production activities.

AIMS

- To Provide vessels of the highest quality
- Maintaining top industry standards across all aspect of our deliverables
- Allowing our customers be assured of our abilities and expertise
